

February 2018

Suspicious Circumstances/Mail Theft: On 2/1/18 at approximately 0154 hrs, Airport Police contacted a suspicious vehicle parked near "Bog Lake gate" and Lakeshore Drive with a male occupant. Two female subjects were also contacted just up the road, both were on foot. Just prior to contacting the females, they were observed near the resident homes in the area, and mail was found on the ground where they had been. During an officer safety pat down, one female stated she had stolen mail inside her coat. Mail was also observed inside the vehicle. The vehicle was impounded for a search warrant. Postal Service was notified, investigation continues.

Disturbance: On 2/1/18 at approximately 0207 hrs, Airport Police were dispatched to the L1 gate for a verbal argument between a male and female. Police contacted the male subject whom stated the female had departed the area. The male subject said they arrived on the bus a little while before getting into the argument. He stated the female started yelling at him and he kept asking her to leave him alone, but she wouldn't. The male subject stated there was no physical contact. Another Officer contacted the female subject whom stated there was no physical contact. She left the area on foot. The male subject was transported to Carr's on 15th.

Arrest Warrant Served: On 2/1/18 at approximately 0904 hrs, Airport Police observed a male subject on the arrival ramp drinking a can of beer. A records check showed he had a \$2500 AST Felony Warrant for Assault 3. He was arrested and remanded to the Anchorage Jail.

Arrest Warrant Served: On 2/1/18 at approximately 1558 hours, police responded to an intoxicated male in the South Terminal. Officers contacted the adult male on the ground and a female with him. They were both intoxicated. A records check showed the female with a \$250 Misdemeanor Warrant for Neglect. She was arrested and remanded to the Anchorage Jail. The male was transported to Sleep Off.

Medical Assist: On 2/1/18 at approximately 2013 hrs, Airport Police responded to gate C4, for a subject who was unconscious, breathing heavily, and sweating. Officers believed the subject to be under the influence of drugs. AFD was requested, responded, and transported the subject to a local hospital.

Other Injury Accident: On 2/2/18 at approximately 1212 hrs, an Anchorage Airport Police officer was transporting a female to the Brother Francis Shelter. While stopped at an intersection near the shelter, a male pedestrian rammed into the patrol vehicle. The pedestrian was dazed from the impact and AFD was notified and responded. The pedestrian was transported to a local hospital. Witnesses from Beans Café saw the incident and provided Airport Police with camera footage from their security system. It appears the male subject charges the patrol vehicle. Investigation continues.

Probation Violation/Agency Assist: On 2/2/18 at approximately 2249 hrs, Anchorage Airport Police contacted a male subject sleeping on a bench near the departure ramp. The male appeared to be intoxicated. Officers observed a bottle of vodka in his jacket pocket. The male stated he did not have flight reservations or official business at the airport. A records showed the male was on probation for Burglary and Theft with conditions. The on-duty probation officer (PO) was contacted and the PO requested a search of the male's person and belongings for stolen property, weapons, alcohol or drugs. Upon search of the duffle bag, a drug kit was found with drug paraphernalia and heroin residue on a spoon. In addition, the duffle bag contained an assortment of what appeared to be burglary tools. The PO requested the male to be remanded to the Anchorage Jail for Probation Violation. The male was transported and remanded to the Anchorage Jail.

Arrest Warrant Served: On 2/3/18 at approximately 0124 hrs, Airport Police contacted the occupants of a vehicle parked in Point Woronzof Park after the park had closed. The driver of the vehicle returned as having an active APD arrest warrant for Failure to Appear. The male was placed under arrest and remanded to the Anchorage Jail.

Public Intoxication: On 2/3/18 at approximately 0233 hrs, Airport Police observed a highly intoxicated male subject during a south terminal foot patrol. Officers contacted the male. Due to the subject's high level of intoxication (.365) he was taken into protective custody.

Arrest Warrant Served: On 2/3/18 at approximately 1309 hrs, a male subject was contacted by Airport Police for vagrancy. The male was identified and had a Felony Warrant for Probation Violation on an original charge of Robbery 2. The subject had what appeared to be an un-used syringe on his person when contacted. The subject was transported to Anchorage jail.

Criminal Trespass: On 2/3/18 at approximately 1109 hrs, Officers responded to Gate C3 for an intoxicated male who was denied boarding. The male passenger calmed down and was re-booked for a later flight. A short time later, the same male was again agitated and yelling at gate agents. The male was escorted to the cab line, but was refused by the cab drivers. The subject refused to take the bus and was given a summons for Criminal Trespass. The male was then transported to the Brother Francis Shelter.

Child in Need of Aid: On 2/3/18 at approximately 1631 hrs, TSA reported a small girl running around the C Screening area unsupervised. Airport Police saw the child and brought her to the police office. Police were shortly contacted by an Alaska OCS employee that was looking for the girl. The OCS employee was verified and the girl recognized the employee and was released to them.

Public Intoxication: On 2/3/18 at approximately 1946 hrs, Airport Police observed a female who appeared to be passed out on a bench near the Domestic Terminal arrivals ramp. Officers contacted the female for a welfare check to make sure she was alright. Upon contact with the female, officers detected the strong odor of alcohol coming from her person. The female provided a breath sample which resulted in a BrAC of .194. Dispatch advised day shift officers had contact with her for intoxication. Due to the re-occurring intoxication problem, she was advised not to return to the airport to catch her flight unless she was sober. A family member was contacted and they arranged to come to the airport to pick up their loved one. The subject departed the airport approximately 45 minutes later with her cousin.

Public Intoxication: On 2/3/18 at approximately 2053 hrs, Anchorage Airport Police observed a highly intoxicated male staggering in the South Terminal. Officers contacted the male and it was determined he was the same intoxicated passenger who was transported to sleep off earlier in the day with a BrAC of .377. Officers collected a breath sample with a BrAC of .374. The male claimed to be catching a flight in the morning, but could not produce any airline tickets. The male was given a Criminal Trespass Warning not to return to the airport unless ticketed to fly and sober. He was transported to Sleep Off without incident.

MVA-Property Damage/Leaving the Scene of an Accident: On 2/3/18 at approximately 2350 hrs, Airport Police were dispatched to the arrival ramp, for the report of a minor Motor Vehicle Collision. Upon arrival to the location, the case officer contacted the driver (victim) of the vehicle that was backed into by a second vehicle. The victim stated a female exited her vehicle after she had backed into the front bumper of his vehicle and said "I don't see no damage". The unknown female driver got back in her vehicle and departed without exchanging any personal information. The estimated damage to the front bumper was \$1000.00. Further investigation to determine who the female driver is will continue.

Public Intoxication: On 2/4/18 at approximately 0042 hrs, Officers contacted a male for vagrancy, suspicious bulge in his jacket sleeves and the detected odor of alcohol coming from his person. The male citizen was patted down to confirm the objects concealed in his sleeves were not weapons. Officers removed a fifth of Skyy Vodka from each sleeve of the male's jacket. The male subject did not have a flight itinerary or official business at the airport. He was issued a Criminal Trespass Warning not to return to the airport unless ticketed to fly. The male was dressed for the weather and was able to care for himself. He departed the airport on foot.

Medical Assist/Int'l Flight: On 2/4/18 at approximately 0159 hrs, Airport Police were dispatched to the North Terminal for the report of a China Southern flight on divert, due to a female passenger having a stroke. Anchorage Fire Department paramedics were called to respond for advanced care of the patient. Officers escorted AFD to the gate prior to the arrival of the aircraft. U.S. Customs was also requested due to the patient not having US Citizenship. The aircraft arrived, AFD attended to the patient and then transported her to a local hospital. The aircraft received fuel and departed Anchorage Airport.

Welfare Check/Mental Health Self Committal: On 2/4/18 at approximately 0359 hrs, Officers performed a welfare check on a female that was observed pacing back and forth. The citizen stated she had an airline ticket on Alaska Airlines and was escorted to the Alaska ticket counter. The agent informed officers the female did not have a reservation in the system. It was at that time the female admitted she was homeless. She was offered a ride to the Brother Francis shelter, which she accepted. When she arrived at the Brother Francis Shelter, she told the officer she was not well and wanted to be transported to the emergency room for a mental self committal. The citizen was then transported to a local hospital where she checked herself into the Emergency Room.

Criminal Trespass: On 2/4/18 at approximately 0520 hrs, Airport Police contacted a male who earlier in the night was given a Criminal Trespass Warning not to be at the airport unless ticketed to fly. The male was also highly intoxicated with a BrAC of .210. The male departed the airport, went to a liquor store and purchased two more bottles of Skyy Vodka and returned to the airport. He proceeded to again conceal the bottles of vodka in the sleeves of his jacket. The male was placed under arrest for Criminal Trespass and was issued a 30 day court date, released OR and then transported to sleep off to sober up.

DUI, Refusal: On 2/4/18 at approximately 0822 hrs, Anchorage Airport Police were alerted to a suspected drunk driver on Jewel Lake road near Delong Lake park. Officers contacted the suspected vehicle. The driver was contacted and showed signs of impairment and was given a field sobriety tests which he failed. The driver was arrested and taken to the Station 1 where he was processed for DUI. The driver ultimately refused to provide a sample of his breath for testing and was charged with DUI, Refusal. He was transported to the Anchorage jail and remanded on a \$500 bail. His female passenger was given a ride to her address downtown.

Vagrancy/Domestic Violence Protective Order (DVPO): On 2/4/18 at approximately Anchorage Airport Police contacted a male who did not have any luggage and was recognized as the same homeless person officers contacted the week prior. The male admitted he did not have an airline ticket. A records check indicated the male to have an unserved DVPO. The DVPO was read to the male and he stated he understood the conditions of the order. The male was given a copy of the DVPO and also issued a Criminal Trespass Warning not to be at the airport unless ticketed to fly. The male was provided transport off the airport.

Community Policing: 2/4/18, 1911 hrs, an Airport Police officer noticed a vehicle with its hood up in long term parking. The driver was contacted and he stated the battery was dead, and the keys were locked inside the vehicle. The officer was able to unlock the vehicle successfully and assisted pushing the vehicle back out of the parking space, which allowed another vehicle to jump it. They were able to get the vehicle started.

Recovered Stolen Vehicle: On 2/5/18 at approximately 0131 hrs, Airport Police identified a vehicle parked in the Park n Ride and Fly lot, as having a stolen license plate affixed to the vehicle, as well as the vehicle itself as stolen. Multiple attempts to contact the vehicle owner were made without any success. The stolen license plate was removed from the vehicle and placed into evidence. The stolen vehicle was photographed and impounded. APD was notified about the stolen vehicle recovery. A voice message was left on the vehicle owner's voice mail. The investigation is on-going at this time.

Vehicle Theft: On 2/5/18 at approximately 1114 hrs, Airport Police responded to the Rental Car Garage for the report of a vehicle that was just stolen. Officers searched the area and did not locate the vehicle. The investigation is ongoing.

Driving While License Suspended (DWLS): On 2/5/18 at approximately 1147 hrs, Airport Police conducted a traffic stop. A records check of the driver revealed his license was suspended. He was issued a citation and he said he was going to contact the registered owner to come and drive the vehicle.

DWLS: Reference above case; Dispatch advised the driver returned to the vehicle and drove off. The case officer went before a Magistrate and obtained a warrant for the driver's arrest for Driving While License Suspended.

Agency Assist: On 2/5/18 at approximately 1642 hrs, APD requested assistance contacting a suspect at TSAIA. Officers located the suspect and APD arrested him for a Domestic Violence Assault.

Civil Problem: On 2/5/18, Airport Police responded to a local business for the report of a male subject, who had been repeatedly asked to leave, and was refusing to leave. The male citizen was the husband of an employee at said business. Officers arrived and immediately observed the male subject hunched over in front of the business door way. The male subject was visibly upset and crying. The wife stated they were having marital problems. The subject was given a ride to a relative's home.

Drunk in Public: On 2/5/18 at approximately 2349 hrs, Airport Police responded to gate C3, for the report of a male subject who had woken up, grabbed his backpack, and then threw it into the trash. He then stormed off. Officers contacted the passenger, who stated he had woken up and thought he missed his flight. Out of anger he threw his backpack in to the trash. Due to his behavior, Alaska Airlines rescheduled his flight to 0125 hours. He was advised it would be a good idea to stop consuming alcohol to ensure he was able to board the flight. No further action taken.

Attempted Vehicle Theft/Theft/Criminal Mischief/MIW/Probation Violation: On 2/6/18 at approximately 0255 hrs, Airport Police was conducting a lake patrol. The officers observed a subject stealing gas from a vehicle parked near Lake Hood Strip. Officers contacted a male and female subject seated in a vehicle. The male subject stated he was stealing gas and when asked about a weapon in the vehicle, he stated there was none. A handgun was found under a blanket he was sitting on. During a search of the area, multiple vehicles had ignitions tampered with, and two vehicles had holes drilled into the fuel tanks. The two subjects were brought to Station 1 for interviews. The suspect's vehicle was towed to Anchorage Airport Police impound lot for investigation. The female subject was released pending further investigation. The male was remanded for probation violation through the Probations. More Charges pending.

Theft 2nd: On 2/6/18 at approximately 1152 hrs, An officer took a report of stolen luggage from a flight from Seattle to Anchorage. The investigation revealed two male suspects. The investigation is ongoing.

MVA-property damage: On 2/6/18 at approximately 2117 hrs, Airport Police contacted two vehicles involved in a collision at the intersection of Jewel Lake and INTL Airport RD. Vehicle 1 slid through a red light and collided with vehicle 2. No injuries were reported. Driver of vehicle 1 was cited. Both vehicles were able to drive away from the scene.

Mental Subject Committal/Welfare: On 2/7/18 at approximately 0131 hrs, Airport Police responded to the bathrooms near gate L1, for a report of an intoxicated male. Officers contacted the subject, who became aggressive and was handcuffed for officer safety. The subject had officer safety advisements in records, stating he would harm officers. Officers attempted to take him to one local hospital, but they would not take him, because he has assaulted all their staff. Sleep-off didn't take him, and non-criminal committal would not take him because his breath alcohol wasn't high enough. The officer tried another hospital and they said no, for assaultive reasons also. A final local hospital did end up taking him, but he needed to be restrained and sedated.

Mental Health Evaluation/Agency Assist: On 2/7/18 at approximately 0300 hrs, Airport Police responded to gate C3, for a flight that had taken off 30 minutes prior, and was now returning with a passenger who had barricaded himself in the bathroom. Upon arrival, officers opened the bathroom door and handcuffed the passenger and escorted him to the Domestic Terminal Police office. Flight crew stated the passenger went to the bathroom after take-off and stayed in the bathroom. Flight crew knocked on the door without any response from the subject. The bathroom room door was opened by the flight crew and they observed the subject naked and flushing the toilet constantly. The flight crew closed the door and left the subject in the bathroom for the return trip. The FBI arrived and interviewed the passenger. Due to statements made by the passenger, Officers felt he was not able to care for himself. The passenger was transported to a local hospital for a mental health evaluation.

Community Policing: 2/7/18, an officer spent time with a lake lot owner when he was on patrol. They spoke about security and safety issues around the lake. The owner thanked the officer for our presence and how he feels it deters crime in the area. The officer made sure the owner had the number to dispatch and encouraged him to call anytime he observes suspicious activity.

Driving w/out a Valid License/Proof of Insurance: On 2/7/18 at approximately 2116 hrs, Airport Police contacted a disabled vehicle near the intersection of Jewel Lake and International. The driver was contacted and a records check revealed no valid drivers license. The driver also stated they had no insurance on the vehicle. The vehicle was towed and driver cited.

Arrest warrant Served x3: On 2/8/18 Anchorage Airport Police responded to the B hex for the report of a male arriving on a flight with 3 arrest warrants. Officers contacted the suspected male and confirmed the warrants were active. The male was placed under arrest and remanded to the Anchorage Jail without incident.

Community Policing: On 2/8/18, at approximately 2025 hrs, Anchorage Airport Police contacted a female near the screening point who was acting strange and pacing back and forth. The female stated she was homeless. Officers had previously contacted female citizen during the month of December, where she was transported to a local hospital for a mental self-committal at her request. Again, the subject requested a ride to the hospital so she could self-commit. Upon arrival to the hospital, she started to throw her belongings around in the entrance to the Emergency Room. She no longer wanted to be at

the hospital and the officer assisted the female with transportation to the HOPE Shelter, where she was dropped off without incident.

Drugs/Agency Assist: 2/8/18 Airport Police assisted in the recovery of illegal drugs being transported at the Airport.

DWI-Drugs: On 2/8/18 at approximately 2355 hrs, Airport Police conducted a traffic stop on a vehicle near the intersection of Postmark Drive and Northern Lights Blvd. for an equipment violation. Upon contact with the driver and sole occupant of the vehicle, the officer detected the strong odor of Marijuana coming from the vehicle. The driver showed the officer a jar containing Marijuana. The driver was asked to exit his vehicle to conduct Standardized Field Sobriety Tests (SFST's) to ensure he was safe to drive. The driver failed. The male driver was placed under arrest for DUI-Drugs. The male was transported to the Anchorage Airport Police station for DUI processing. The male was issued a 30 day court date and released on his Own Recognizance (OR), 1st DUI offense.

Medical Assist: On 2/9/18 at approximately 1532 hrs, Officers were notified of a male needing possible medical attention. The man seemed to be on 'Spice'. AFD was notified and they transported the male from the airport to a local hospital.

Medical Assist: On 2/9/18 at approximately 1733 hrs, Officers responded to Airport Park in regards to a female subject reported to APD dispatch, via the male caller, she 'wasn't making sense and the left side of her face was drooping'. Airport Police officers responded code to the scene. AFD was notified and provided transportation.

EOD Services Provided: 2/9/18, Anchorage Airport Police Explosive Ordinance Disposal (EOD) team members responded within the Anchorage Bowl for several suspicious bags in the front lawn of a Judge's residence. The team members responded with the multi-jurisdictional EOD team to the undisclosed location. Team members arrived on-scene, set up command and assessed the bags using an unmanned, remotely controlled robot. The bags were x-rayed and it was determined there were no hazardous devices inside the bags. The EOD team was demobilized without incident.

Vagrancy: 2/10/18 at approximately 0137 hrs, Airport Police observed a male with no luggage who appeared to be passed out on a bench near the lower level of the Domestic Terminal. The officers contacted the male for a welfare check and found the individual to be homeless. A records check indicated the male to have a felony warrant from California. Dispatch contacted the California Control Center who advised the male would not be extradited back to California for the outstanding warrant. The male subject was advised of his warrant, issued a Criminal Trespass Warning and directed to depart the airport.

Other Injury Accident: On 2/10/18 at approximately 0205 hrs, Anchorage Airport Police responded to the lower ramp for a male who had fallen and hit his head. Officers arrived on scene and contacted the male patient who was conscious, alert, breathing, and in a lot of pain. The male had undergone surgery in the past and may have dislocated his hip. Anchorage Fire Department Paramedics were requested for advanced medical treatment and transport to a local hospital.

Theft in the 4th Degree: On 2/10/18 at approximately 0335 hrs, Airport Police was dispatched to the arrival ramp, for the report of a male subject who did not pay his cab fare. Officers arrived and contacted the taxi driver to get a description of the subject. The male subject had walked away from the area and was located near door 4 of the upper ramp. The male was highly intoxicated with a BrAC of .347. The male was issued a Summons with a 30 day court date for Theft in the 4th Degree. In addition, the male

subject did not have an airline ticket to fly or official business at the airport, so he was issued a Criminal Trespass Warning. The male was transported to sleep off without incident.

Public Intoxication/Disturbance: On 2/10/18 at approximately 2142 hrs, Anchorage Airport Police were dispatched to the Domestic Terminal "C" Concourse security exit, for the report of an intoxicated female who was attempting to enter from the wrong direction. The exit guard reported she had set off the alarm several times and she was stumbling around. Officers contacted the female who had the strong odor of alcohol emitting from her person, and she was using the wall to hold herself up. The intoxicated citizen immediately started to cause a disturbance by yelling racial insults at officers. The female would not provide a breath sample and would not identify herself. The female became very confrontational and was handcuffed for officer safety. When she was being escorted to a patrol vehicle, she started to scream and struggle. She was then carried to a patrol vehicle and transported to Sleep Off.

DVPO Served: 2/10/18, Airport Police contacted a female passenger who arrived as a respondent for a DVPO (Protective Order). Officers explained the protective order to the respondent and confirmed she understood the conditions of the order. She was provided with a copy of the protective order. A return of service was completed and sent to Airport Dispatch for distribution.

Agency Assist (REDDI): On 2/10/18 at approximately 2245 hrs, Airport Police Dispatch advised officers of a Report Every Dangerous Driver Immediately (REDDI) report from Anchorage Police Department Dispatch. The report was a Toyota Tundra, westbound International Airport Road from Minnesota Blvd. A driver who was swerving and driving while slumped over the wheel. Officers responded to areas of the airport to intercept the vehicle, when dispatch advised the witness followed the vehicle to the Spenard McDonald's. Officers responded to the location and located the REDDI vehicle and made contact with the driver. APD arrived on scene and conducted SFST's and placed the driver under arrest for DUI. APD did not request any further assistance at the scene.

Dignitary Services Provided/Honor Guard: On 2/11/18 at approximately 1500 hrs, the Anchorage Airport Police and Fire Honor Guard, along with the US Army, assisted in the memorial services for Mr. (Captain) George Brown, founder of the Lucky Wishbone and WWII Veteran. The services were done at the Alaska Aviation Museum and included a "3 Volley Salute" rifle detail.

Public Intoxication: On 2/11/18 at approximately 1817 hrs, Anchorage Airport Police responded to gate C-2 for the report of an intoxicated male who was denied boarding for intoxication. Dispatch advised the male was the same passenger who had been previously denied boarding for intoxication in the past two days. Officers contacted the male at the Alaska Airlines ticket counters where he was attempting to re-book a flight. The male provided a breath sample which resulted in a BrAC of .221. The male was issued a Criminal Trespass Warning not to return to the airport unless he was sober. The male was transported to sleep off without incident.

Transportation Security Regulation (TSR) Violation: On 2/12/18 at approximately 0635 hrs, officers responded to the screening area for a TSA report of a firearm in a carry-on bag. Upon arrival, it was determined that there were 2 firearms in a passenger's bag. The passenger was escorted back to the terminal police office, where he consented to a search. The firearms and passenger were clear in a records check. It was determined that the passenger meant to take the firearms out of his bag and place them in the trunk of his vehicle before his flight, but forgot. No criminal charges forwarded, but a report was completed for TSA and possible civil fines.

Public Intoxication/Welfare Check: On 2/12/18 at approximately 1159 hrs, officers responded to the parking garage for a report of an intoxicated male adult who was stumbling in the area. Upon arrival, they recognized the male from an earlier contact. It was determined that the male was again drinking hand sanitizer, but it was unknown where he had taken the bottle from. The subject was taken to sleep off after providing a breath sample of .331.

Marijuana Disposal: 2/12/18, Airport Police responded to the bag claim area for a report of a marijuana plant left in the area. The complainant stated that the plant had been left unattended in the area for some time. Officers confiscated the plant and logged it in for disposal.

REDDI Report: 2/12/18, Airport Police received a REDDI report for a driver headed westbound on International Airport Rd. Based on descriptions of the vehicle, it was located and stopped on the departure ramp. Investigation revealed no impairment from the driver or passenger. Warning given to drive safely due to poor road conditions.

Other Injury Accident: On 2/12/18 at approximately 1922 hrs, Airport Police responded to an elderly female that fell down at the bottom of an escalator near the L1 gate. Upon arrival, Officers contacted the citizen, who stated she lost her balance. She stated she was not injured, but was half blind due to a stroke she had last year. No further medical assistance requested.

Court Order Served – DVRO: 2/12/18, Airport Police made contact with a subject needing to be served an Order Extending a 20-Day Ex Parte Domestic Violence Protective Order. Officers contacted and escorted him to the South Terminal Police interview room where he was read and issued a copy of the Extension Order.

Public Intoxication: 2/13/18, officers responded to the family bathroom on the first floor, near the military lounge, for a report of a female passed out on the floor. Officers were able to wake the female and found that she was intoxicated. She had gotten sick in the sink and it was plugged up. The female was transported to Sleep Off and provided a breath sample of .255. Facilities was notified of the bio clean up.

Theft: On 2/13/18 at approximately 1124 hrs, Airport Police responded to Lake Hood parking lot E for a report of stolen fuel. Upon contact with the aircraft owner, he stated approximately 40-50 gallons of Avgas was stolen from his lease hold. Investigation revealed a suspect vehicle.

Disturbance: On 2/13/18 at approximately 2241 hrs, Airport Police was dispatched to the C3 area regarding a male who was causing a disturbance. The male subject was located at a nearby restroom. Officers contacted the man, who was crying. The citizen had been drinking alcohol and was upset about a relative that was ill. He had been denied boarding and re-booked. He was escorted to the cab line. Approximately 15-20 minutes later, he was back at Alaska Airlines. Officers issued a disorderly conduct warning and a criminal trespass warning. The subject departed in a cab.

Arrest Warrant Served: 2/14/18 at approximately 0136 hrs, Airport Police was dispatched to a woman's bathroom at the South Terminal, for a woman lying on the bathroom floor. Officers contacted the subject, who was sitting on a bench. The subject stated she was at the Airport to fly home. When asked how much she had to drink, she stated "more than usual". A records check revealed she had a misdemeanor warrant for Failure to Appear original charge DUI with no bail. She was arrested and transported to the Anchorage Jail.

DIP/Medical Assist: 2/14/18 at approximately 0448 hrs, Airport Police was dispatched to C5 regarding an intoxicated male sleeping or passed out. Officers contacted the subject who had a strong odor of hand sanitizer. The subject was having a hard time answering any questions and continued to try to go back to

sleep. Officers were able to get a PBT of .350. Officers got a wheelchair for the subject and escorted him out. During a pat down two different pill bottles were found that stated not to take with alcohol. He was transported to a local hospital.

Fugitive From Justice: 2/14/18, Officers responded to the TSA ticket podium to assist with an ID verification. Upon contact, the identification was confirmed and a records check showed a warrant out of Georgia. Dispatch confirmed that the warrant was extraditable. The subject was arrested and remanded to the Anchorage Jail.

Arrest Warrant Served: On 2/14/18, at approximately 1514 hrs, Airport Police conducted a traffic stop in the Lake Hood area. Upon identifying the subjects in the vehicle, it was found that the female passenger, who was not properly seat belted, had a felony warrant for her arrest. She was arrested on the warrant and transported to the Anchorage Jail. The driver was cited for Proof of Insurance to be Exhibited on Demand.

Agency Assist/DIP: 2/15/18 at approximately 0104 hrs, Airport Police contacted a male and female at door 8 for a welfare check. The female subject had been contacted many times. She was issued a trespass warning and got on the next bus. The male subject was on conditions of probation not to drink alcohol, which he had. Officers contacted the on-call PO, who revoked his probation. The PO requested we transport the subject to jail.

Criminal Trespass/Criminal Mischief/Theft: On 2/15/18 at approximately 0254 hrs, Airport Dispatch received a call from a snowplow truck driver on Old Int'l Airport Road, who reported seeing a suspicious person on a bicycle behind the WPX building. The complainant stated he thought the subject was stealing. Airport Police officers contacted the subject in the act of cutting a piece of copper wire with a hacksaw. The suspect was arrested and a telephonic hearing was conducted. The magistrate issued a \$500 bail. The subject was remanded to jail.

Stolen Vehicle: 2/15/18, Airport Police took a telephonic report regarding a stolen vehicle. The victim stated that he had parked his vehicle in the transient parking area in October of 2017. When he returned to the vehicle recently, it was gone. Investigation revealed that the vehicle was involved in an APD hit and run case earlier this year.

Arrest Warrant: 2/15/18, Officers responded to the Airport snow dump for a report of a vehicle parked in the restricted area. Upon arrival, investigation revealed that the passenger had a warrant for Failure to Appear. She was arrested and remanded to the Anchorage Jail.

TSR Violation: 2/16/18 at approximately 0053 hrs, Airport Police responded to the C-Trace room for a TSA reported undeclared firearm in locked case. The passenger was unaware of procedures for transporting / traveling with firearms. A report was forwarded to TSA. No criminal charges.

Warrant Service: An 2/16/18 at approximately 0305 hrs, an officer was patrolling near the lower ramp when he observed a subject with an open alcohol container. Contact was made and a check in records showed an outstanding warrant, original charge of removal of merchandise. Subject was arrested and transported to the anchorage jail.

Medical Assist: On 2/16/18 at approximately 0513 hrs, Officers responded to gate C5 for an inbound flight, reference a report of a passenger who fell and hit her head. Officers met the flight and made contact to render aid. Patient felt better and decided to decline any further medical assistance.

Vehicle Theft: On 2/16/18 at approximately 0947 hrs, Airport Police conducted a traffic stop near International and Spenard Road. The driver did not have clear answers regarding ownership of the vehicle. The driver and passengers gave conflicting information and attempts were made to contact the registered owner. The vehicle ignition was punched out and a screw driver was used to start it. The vehicle was impounded for investigation. The registered owner (from out of state) called back later and it was verified the vehicle was stolen. An arrest warrant was obtained for the suspect; Vehicle Theft and Criminal Mischief 3rd.

TSR Violation: 2/18/18, Dispatch reported a male who accessed the AOA at the Alpha Gates and was attempting to get onto an aircraft. The male subject ignored employees when contacted and walked away. While enroute to the location, officers observed a male matching the description near door 8 on the upper ramp. A RAVN employee identified the suspicious individual and confirmed it was the same person. Airport Police contacted the suspect. The suspect stated he was trying to get on a plane without paying and was going to lock himself in the bathroom. He stated he was going to fly to wherever it was going. The suspect is homeless, did not have a residence or address, stated he did not get mail anywhere and did not have a working phone. He was transported the rescue mission and issued a trespass warning.

Patrol Request: 2/19/18 at approximately 0318 hrs, Officers were dispatched to 4000 W. 50th Ave., for a complaint of a strong odor of exhaust inside a building, which was causing irritation to employees. Officers arrived on scene and spoke to a male employee. He stated several employees had burning/itchy eyes. Next door there were two vehicles unloading into the building with the exhaust still running. Officers spoke with a couple of employees there and told them to turn the vehicles off. Officers told both places to open windows and doors, and ventilate with fans.

Misuse of Plates: On 2/19/18 at approximately 1040 hrs, Airport Police conducted a traffic stop on a vehicle for possible misuse of plates. A records check revealed the plates on the vehicle came back to a black Ford Expedition but the vehicle was a white, newer model, Expedition. The driver of the vehicle could not produce any proof of ownership or insurance for the vehicle. The driver was cited for Misuse of Plates. The vehicle was impounded and the plates were seized for evidence. Investigation into possible stolen plates and/or vehicle is ongoing.

Mental Subject Committal: On 2/19/18 at approximately 1207 hrs, officers responded to the intersection of International Airport Rd and Spenard Rd, for a report of a male adult in the median. Investigation revealed that the subject was under the influence of an unknown substance and not dressed for the weather. Subject was transported to a local hospital for mental health evaluation.

Agency Assist: 2/20/18 at approximately 0032 hrs, Airport Police responded to International/Minnesota at the request of APD, to assist a motorist that had a disabled vehicle. Upon arrival, officers observed a dark colored sedan parked in the middle of the roadway with its flashing lights on. There was nobody in the immediate area. The keys were in the ignition and doors were unlocked. Officers blocked the roadway off and were able to push the vehicle onto the side of the road to prevent a collision. Dispatch was able to locate a telephone number for the registered owner and a message was left.

Criminal Trespass: 2/20/18 at approximately 0650 hrs, officers contacted a male at the lower ramp during a south terminal security check. Upon identification, it was found that the subject had multiple warrants out of Juneau, Alaska. An airport case history search of the subject revealed multiple trespass

warnings from the Anchorage Airport, to include one from 12 hours prior. The subject was arrested for Criminal Trespass and given a 30 day court date with conditions. The subject was then escorted to the bus stop and released on his own recognizance.

Vehicle Theft: On 2/20/18 at approximately 0900 hrs, Airport Police took a report at Station 1 regarding a stolen vehicle from the ASIG parking lot, located next door. The victim had parked at the location at midnight and noticed it was gone at approximately 0830 hours. The vehicle was listed in records as stolen. Later on the same day, at approximately 0940 hours, officers responded to the ASIG parking lot where employees had the suspect and vehicle back on sight. The investigation revealed the suspect was on probation for robbery and assault. The suspect also had extensive criminal history, which included vehicle theft. Officers arrested the suspect for Vehicle Theft 1st and he was remanded to the Anchorage Jail with conditions. At the jail, intake found a small amount of crystal substance believed to be methamphetamine inside a gum wrapper, tucked in his sock. Misconduct Involving a Controlled Substance (MICS) charges will be forward with the report. His PO was notified.

Criminal Trespass: 2/20/18, officers conducted a welfare check on a subject near the upper ramp of the Domestic Terminal. It was determined that the subject had no business at the airport and had been trespassed from the area before. He was given another trespass warning and he walked to the bus stop. At approximately 1444 hours, another officer saw the individual and again advised him to leave the area. At 1509 hours, over 4 hours after the first contact, the male was again contacted and arrested for Criminal Trespass. The subject was given a 30 day court date with conditions. He was then escorted to the bus stop and released on his own recognizance.

Medical Assist: On 2/21/18 at approximately 0027 hrs, Airport Police responded to the report of a female who collapsed at lower ramp near the Hudson News. Officers arrived on scene to find an older female lying on her back. The patient appeared flush, and stated she got hot and dehydrated. Another employee provided her water which she drank and then vomited. AFD was contact for further evaluation. AFD arrived, and the patient's condition greatly improved. The patient declined further medical evaluation and departed the airport. Facilities was contacted for bio clean up.

Patrol Request: 2/21/18 at approximately 1036 hrs, Airport Police responded to an arriving flight with an unruly passenger on board. The male passenger threw an empty beer can and hit a flight attendant. The flight attendant did not want to press charges.

Harrassment: On 2/21/18 at approximately 1342 hrs, Airport Police responded to gate C8 for a report that a male grabbed a woman on her flight from Seattle. The woman passenger said a man grabbed her buttocks when they were exiting the plane at TSAIA. She pointed the male subject out at C8. It was the same man that threw a beer can at a flight attendant, reference above incident. The male was arrested for Harrassment. A magistrate set bail at \$250.00. He was transported and remanded into custody at the Anchorage Jail.

Impound/Traffic Offense: On 2/21/18 at approximately 2329 hrs, Airport Police observed a vehicle operating with an equipment violation. The officer contacted the driver, who claimed to be driving a friend's vehicle. The license plate came back to another vehicle in records and the driver couldn't show proof of insurance. The officer did contact the registered owner, who stated the driver had permission to use the vehicle. The registered owner didn't know anything about the invalid license plate. The plates were seized to be returned to the DMV. The vehicle was impounded pending proof of insurance/ownership to the towing company.

Other Injury Accident: On 2/23/18 at approximately 2019 hrs, Airport Police responded to the lower ramp for the report of a female citizen who had tripped, fell, and landed face first. Officers arrived on scene and assisted the female with her injuries. Dried blood was observed on her face and it appeared she had damaged her upper teeth. Officers detected the strong odor of alcohol coming from her person. The patient declined any further medical assistance from officers and was assisted to the taxi line where she departed the airport.

Missing Person/Locate: On 2/23/18 at approximately 2311 hrs, Airport Police conducted a welfare check on an elderly male sleeping on a bench, who did not have luggage or belongings. Dispatch advised the male had a locate as a Missing Person. The assisted living home listed, was contacted and a caregiver responded to the Airport. The male citizen was transported back to his place of residence and the missing person locate was removed from records.

Disorderly Conduct/Assault in the 4th Degree: On 2/24/18 at approximately 0022 hrs, Airport Police were dispatched to Gate B8 for the report of an intoxicated male passenger being escorted off an aircraft. Dispatch advised police that the gate agents anticipated problems from the passenger. Officers arrived on scene and contacted the male subject who appeared to be highly intoxicated, with the strong odor of alcohol. The intoxicated subject became very loud and disorderly, threw french fries at one of the officers and threatened that he was going to hit him twice. The subject stood up quickly in a threatening manner and closed the distance on one of the officers. The subject was put in handcuffs by three officers and was placed under arrest for Disorderly Conduct. The male was very combative when being escorted to the terminal police office. Upon arrival to the terminal police office, the subject slammed his head against the interview room wall numerous times. When the case officer was filling out remand paperwork, the male kicked the officer in the arm and missed kicking the officer in the head. The additional charge of Assault in the 4th Degree on a Police Officer was added. Bail was set at \$100.00 Performance Bond by the Magistrate and he was remanded to the Anchorage Jail. The subject challenged the staff at the jail and he had to be further restrained. Only a partial BrAC of .07 was administered at the jail due to his combative state.

MVA-Damaged Property: 2/24/18, Officers were dispatched to a parking lot for the report of a parked vehicle that was hit by a snow plow. A damaged property investigation was completed with the damage estimated to be \$4500.00. No injuries.

Other Injury Accident: 2/24/18 at approximately 1147 hrs, Dispatch advised an Airport employee slipped on the ice at the FAA ramp and hit his head on the ground, causing him to lose consciousness. Officers arrived and observed the patient on the ground and his coworker standing nearby. The patient was conscious upon police arrival. His coworker, witnessed the incident. He estimated the patient was unconscious for approximately a minute. Officers stabilized the patient's C-spine, palpated for spinal deviation and the back of his head for injury. The patient was alert and able to speak, stating he had a headache. He was able to move all fingers and feet and stated he had feeling as well. AFD arrived just after officers assessment and transported the patient to a local hospital.

Community Policing: 2/24/18, a supervisor for Pegasus said a China Air flight was not going to take off due to a Captains inspection, which revealed missing fire proof gloves as part of their required safety equipment. He advised they were looking in town and every supply place was closed. The supervisor wanted to know if we (ARFF) had any gloves we could give him, or the plane would be grounded. The

Watch Commander was able to locate a pair of leather/kevlar/nomex gloves. The aircraft was able to take off. He thanked us for our assistance.

DWI-Alcohol: On 2/24/18 at approximately 2111 hrs, while on patrol, Airport Police observed a vehicle in the ditch on Jewel Lake RD near Delong Lake. The officer contacted the driver who was standing outside the vehicle. The driver said he had a tow on the way. The driver had blood shot eyes and was unsteady on his feet. A Field Sobriety test was conducted which showed clues for intoxication. The driver was arrested for Driving Under the Influence and transported to the Airport Police Station 1 for processing. The vehicle operator gave a breath sample of .165. He was given his court date and released.

Welfare Check/Medical Assist: 2/25/18, Airport Police observed a female asleep near the departure area, who had an odor of alcohol. The officer attempted to wake the female, but she didn't wake up initially. The officer observed a prescription bottle of pills. AFD was dispatched to the area. The subject woke up before AFD arrived. She was administered oxygen. She was identified by name and date of birth. AFD evaluated the female and didn't transport. An Anchorage Sleep-off van came out to transport the female.

Suspicious Circumstances: 2/25/18 at approximately 0950 hrs, police report of a padlock that was cut to gain access to a construction site on Old International Airport RD. Officers contacted the complainant, who stated he replaced a cut lock prior to his departure and now another lock was cut. He returned to the area to conduct snow removal. He then contacted Airport Police dispatch. An inventory was conducted of the area. Some copper tubes were near access doors to the inside, which were not there upon his departure the day prior. The general contractor stated his sub-contractors would be in the area soon to advise of an updated loss total, if any.

Patrol Request/Medical: 2/26/17, officers were dispatched to the report of a male patient on board a China Air flight who had passed out. The aircraft was diverting from Vancouver B.C, final destination Taipei. The passenger was an elderly male with prior health issues. AFD was alerted and responded as the aircraft parked at the gate. The passenger was evaluated and transported to a local hospital. The aircraft was refueled and continued it's flight to Taipei.

Injury Accident: On 2/26/18 at approximately 1121 hrs, officers responded to bag claim 5 for a report that a man was bleeding from his head. The citizen said he was sucking on a cough drop and started to choke. He then fell and hit his head. He had a gash on his forehead. AFD Medics transported him to a local hospital.

Public Intoxication: On 2/26/18 at approximately 1451 hrs, Officers responded to the intersection of Old International and Jewel Lake for a report of a man on the bike path screaming at vehicles driving by. Officers located the man for a welfare check. He provided a breath sample that resulted in a BrAC of .240. He was transported to sleep off.

DWLS: 2/27/18 at approximately 0008 hrs, Airport Police observed a vehicle parked at Pt. Woronzof Park after hours of operation. Officers made contact with the driver and passenger. The driver was identified and records check revealed his driver's license was suspended for liability insurance and revoked for reckless driving. The driver was issued a citation for DWLS with a 30 day court date. A valid driver was dropped off and drove the vehicle away.

DIP/Vagrancy: On 2/27/18 at approximately 0029 hrs, Airport Police were dispatched to two male subjects, who were intoxicated and arguing near the lower ramp of the Domestic Terminal. One was heavily intoxicated and verbally aggressive and placed in handcuffs for officer safety. He was transported

to Sleep-Off without incident. The other subject departed on the bus. Criminal Trespass warnings were entered for both.

Arrest Warrant Served: Airport Police contacted a male that was near two other intoxicated males (above incident) that were being loud and causing a disturbance. A records check revealed that the subject had an outstanding warrant for Failure to Appear \$500 C/C. He was arrested and remanded to the Anchorage Jail.

Medical Assist: 2/27/18 at approximately 1135 hrs, officers responded to gate C6 for a male citizen having a seizure. Medics transported the patient to a local hospital.

Theft 4: On 2/27/18 at approximately 1342 hrs, Airport Police were dispatched to the South Terminal arrivals ramp, for a report that a female passenger refused to pay her cab fare. The subject owed \$20.00. She was issued a summons to appear in court for Theft 4. She admitted she was a drug user and she didn't have a local residence. Police provided her transport to a local hospital at her request.

Injury Accident: 2/27/18, police responded to an escalator in the South Terminal, for a report that a child had fallen on the escalator. The mother said the child was not injured. Otis maintenance workers saw the fall and shut the escalator down. No medical assistance requested.

MVA-damaged property: 2/28/18, Airport Police were dispatched to a MVA-damage only on the commercial ramp. The incident involved two vehicles, a cab and a BAC vehicle. The cab driver exited the vehicle while it was still in drive. The cab rolled forward into the BAC vehicle. Both drivers were issued Notice of Financial Responsibility. The cab driver was issued a citation for Failure to Exercise Care to Avoid Collision. No injuries.

Disturbance: On 2/28/18 at approximately 2348 hrs, Airport Police were dispatched to gate C6 for a flight returning to the gate for an unruly passenger. Upon arrival, the passenger de-boarded the aircraft. She informed police she was removed from the flight, regarding a passenger kicking her seat and her yelling at that passenger. She appeared to be under the influence of alcohol. The passenger was re-booked for another flight. No further disturbances.

Vagrancy: 3/1/18 at approximately 0126 hrs, Airport Police contacted a male that was observed changing clothing and appearing to wash himself in the bathroom on the lower ramp with no shirt on in the bathroom. The subject was homeless. He was issued a trespass warning. The subject angrily headed to the bus stop.

Vagrancy: 0131 hrs, Airport Police contacted two subjects. Both were not flying out. Facilities had reported they caused a disturbance near the lower ramp of the Domestic Terminal. One was intoxicated, and the other had officer safety advisements regarding threatening to shoot officers. Both were issued trespass warnings. They opted to depart on the next bus.
